First Trimester Screening

Please contact your insurance company to ensure this test will be a covered service (Medicaid will not cover this screening).

Beware that some insurance providers will only cover a single ultrasound exam per pregnancy. Therefore, if you submit a claim for the first trimester ultrasound, you may not be covered for a routine mid-trimester scan. We recommend that you clarify this with your insurance carrier.

These are the approximate charges for the procedure:

Lab: \$160.

Ultra Sound: \$425.

Professional Services: \$200

Total Charge: \$785

Provide your insurance company with the following codes used to bill:

84702

83520

76801

Cystic Fibrosis

Please contact your insurance company to ensure this test will be a covered service, otherwise self-pay patients will be charged \$285.

Provide your insurance company with the following codes used to bill:

83891

83894

83896 (x23)

83901

83912

If you choose either of these tests, your provider will give you a prescription.
